## # ABOUT

Alicia Buckle is a go-to international hair and makeup artist of many celebrities like Rolene Strauss, Minki van der Westhuizen, Donna Lee Roberts and more. She enjoys working on cover shoots for big magazines, making brides feel and look beautiful on their wedding day and traveling throughout South Africa and overseas to work with her clients. She is also well known for her internationally accredited academy, Alicia Buckle School of Make-up and Hairstyling, based in Stellenbosch.

Over the past ten years she has taught and mentored over 500 young women to become qualified hair and makeup artists in South Africa and abroad. In her free time she enjoys giving motivational speeches online to encourage women to do their own makeup, and is also a social media influencer. Her husband and two little boys are at the centre of her beautiful world, and her biggest dream is to help educate and empower women to be able to take care of themselves both physically and holistically.
