## ABOUT

I am a professional South African Actress in the television, film and theatre industry.

I am a proud wife and soon to be mommy to a precious girl. I am a total travel addict, and have traveled to almost 30 countries around the world, but also love to visit places all around South Africa.

I am a coffee and coffee shop lover, and have a passion for visiting and discovering different coffee shops, and of course trying a piece of cake as well! Definitely a foodie and love trying out different restaurants with amazing food! As a soon to be mom, I am very interested in everything baby related, from clothes, accessories, baby products and everything in between. I have a passion for amazing clothes, shoes, handbags, jewelry and everything fashion related!

Love everything hair and make up related, always trying out the latest trends and styles. I have green fingers and love spending time in the garden and also doing interior decorating in the house. Animal lover, although I don't have pet right now.
