## # ABOUT

Wife, mom, stay at home live? What can be more exciting than creating content? I wouldn't call myself an influencer but i know that my followers enjoy my post,as my Instagram grows daily. I enjoy the creating process of things more than actually posting about them. My approach to my Instagram handle is authentic- I've come to realise that people are much more influenced if they can relate to you.

## # PAST COLLABORATIONS

# # DID YOU KNOW?

We sold everything in our home, and we are left with four travel bags. As soon as the boarders are open we will be on the first flight out on a long extended vacation.
