ABOUT

I currently work as a full-time makeup artist at MAC Cosmetics & I also do freelance work on the side.

Doing nails is another passion of mine, as I am naturally attracted to pretty & sparkly things.

I'd say my aesthetic is definitely simplistic & minimalistic, with a touch of glimmer.

My extroversion naturally drives me to people, so you'll always find me in a crowd, celebrating the presence of people. I'm a huge fan of photos & photoshoots.

I also love being behind the camera, therefore my online feed has led me to become an Instagram personality. I'm very interested in the marketing aspect of Instagram & appreciate having the platform to help brands grow and reach their full potential.
