## ABOUT

Hello there!

My name is Greteli Fincham, I am 19 years old and currently pursuing my career as an actress. When I'm not in front of the camera playing different characters, I am behind the camera capturing beautiful moments and working as a part time photographer.

I also have my own art business, KUNSMISS where I do art commissions and sell prints of my own art. I am very fortunate to reside in the picturesque Stellenbosch and also have my studio in the heart of Stellies. I would love to promote your brand and collaborate in any kind of way.

Lots of love xx
