## ABOUT

My professional singing career began in 2014 when I placed in the Top 10 for South African Idols, but it all really took flame when I became the runner up in the very popular tv show Die Kontrak in 2018.

I went on to win numerous music awards, all my music videos have well over a million views each.

I perform all over South Africa at some of the biggest festivals & some festivals world wide.

I am very passionate about people & animals.
