DID YOU KNOW?

I have been a fashion lover since my childhood. 2020 1)

I quote an American clothing brand who reached out to me early this year: "We love your style and wanted to know if you would share some of your clothing styles/options you look for or think we should add to our woman's collection for the upcoming winter season." 2)

I have been offered a stylist job by a Johannesburg businessman for an European Men's clothing range.
