ABOUT

I am an actress, vocalist and part time writer by profession. I love discovering new things and places and looking pretty while doing that. I enjoy sharing these experiences with my followers and engaging to hear about whether or not they enjoy the same things I do.

I have a 50/50 love for both vintage and modern so I like experimenting by mashing the two wherever possible.

I am an aspiring fitness junkie and share the challenges and victories of being on this journey.
