## # ABOUT

I'm a 22 year old LLB law student. I come from a small town called Jeffreys bay ( the surfer town) and just moved. I'm very bubbly and outgoing. I'm a huge animal lover and environmentalist. I aspire to influence women to embrace who they are and what they stand for. I'm not the normal influencer who just posts yoga videos and makeup tutorials, I genuinely care about my following and humans in gsneral. :) I love cooking and people go crazy for my recipes. (Something I'm super proud of!) I would call myself intellectual minded and I always make sure I'm ahead of the curb and up to date with my general knowledge of the world.
