ABOUT

31 year old flower child. I love the outdoors, nature, exploring and being active.

I am an actress, motivational speaker, MC and Influencer. Following trends are one of my favorite hobbies; fashion can keep me busy for days on end.

I am an absolute creative; creating art is my happy place. Looking after myself and my family is one of my top priorities.

I am a wife and a mother and it is super important to me that we are all healthy and fit. I train every day and are always looking for new healthy recipes.

If I could I would travel evryday; meeting new people; seeing new things; eating new foods.

I AM A LIFEAHOLIC.
