ABOUT

I'm an average girl with an average life. I don't get invited to Paris Fashion Week and also don't travel the world for a living, BÚT like most woman out there, I lóóóve the pretty things in life. So whether it is some fashion/style inspo, a hair tutorial, a makeup look or a product review, I keep my audience entertained and informed in the beauty, style & fashion department.

PAST COLLABORATIONS

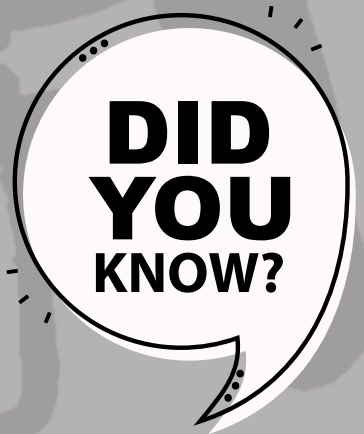

Up until now I have only done independent product reviews and no collaborations as my schedule didn't allow for product commitments. After a serious reshuffling of priorities, I'm so ready to collaborate with all the exciting SA brands.

DID YOU KNOW?

I am a pescatarian - it's like a vegetarian, but we eat fish as well. I have a BL Landscape Architecture degree (TUKS). I gave up accounting end of grade 9 for science, biology, etc. and now I'm the financial director of a company. I have two black boerboels who can get away with pretty much anything. I can't get enough of videos with baby rhinos in it. I'll choose flowers over chocolates any day, but if you want to give me sweets, it better be jelly tots!!
