DID YOU KNOW?

I am currently the youngest international firearm instructor, and I have been working with firearms since I can remember. I have also never had an argument with the hunting grounds, we are best mates!

Other than that you will definitely see me on the farm, working cattle or working any other thing I can find!

When I am not outdoorsy, I am a health and wellness coach for Herbalife, I sell nutritional supplements and self care products that I absolutely love and adore!

Other than all that, you will find me in front of the mirror trying out new make-up techniques or in the shops most probably trying to "shop till I drop"
